# Stages of Growth:

*You have just finished a really busy stretch of work and contribution to Mozilla, and you're taking a weekend off before things get busy again. On your own sheet of paper, take 1 minutes to write down what you might typically do on a free weekend like this.*

# Extravert & Introvert (E/I)

# Sensing & Intuitive (S/N)

# Feeling & Thinking (F/T)

*You are the manager of your department and you have to fire someone. You have one hour before you have to meet with her/him.*

*How will you prepare for this? How will you carry this out?*

*Work in groups of 5-7 for 2min.*

# Judging & Prospecting (J/P)

*Next week you are leaving with a group of friends on a trip to the Galapagos Islands for two weeks. Write down what you will bring and how you will prepare between now and then.*

*Work this out on a piece of flipchart paper with 5-7 people.*
